MEMORANDUM

TO: Clients

FROM: Stuart H. Sorkin, Esq.

DATE: April 24, 2010

RE: Estate Plan

This memorandum is a short summary of the key persons and decisions, which are required prior to the drafting of an estate plan.

1. Substitute Personal Representative - administers the estate upon the death of the surviving spouse until the estate is distributed to your heirs.
2. Independent Trustee - administers assets transferred to the trust. The trustee should not be a beneficiary or an alternate beneficiary or the grantor of the trust.
3. Substitute Trustee for Revocable Trust – administers assets of revocable trust upon the disability or the death of the grantors of the trust. After the death of the surviving grantor, this trustee will administer assets until they are either transferred to the beneficiaries or the independent trustee. This trustee can but does not have to be a beneficiary
4. Trust Committee - hires and fires the independent trustee after his/her initial appointment in the trust agreement.
5. Guardian for minor children - you should name at least two alternatives in case one declines or is unable to serve.
6. Substitute Attorney-in-fact for Health Care Power of Attorney - makes health-care decisions, if surviving spouse is unable.
7. Substitute Attorney-in-fact for Durable Power of Attorney - makes asset management decisions, if surviving spouse is unable.
8. Alternate Beneficiaries - are the persons who receive your respective estates if there is no surviving spouse or surviving children.
9. Ages for distributions to children, e.g., 30, 35 & 40
10. Decisions concerning alternatives in your living will.

I want to take this opportunity to thank you for selecting my firm to work with you and your

estate plan. I look forward to working with you.
